

For Immediate Release:

New Dimension Solutions Forges Expanding and Closer Ties With SAP America

New York, September 12, 2005 – New Dimension Solutions, Inc (NDS) www.nd-solutions.com has been appointed to the **Gold Level** of the SAP America, Inc (SAP) www.sap.com preferred 3rd Party Partner Program

The program consists of 3 levels, Premier, Gold and Silver. To qualify at the **Gold Level**, NDS had to have SAP Executive Sponsorship, and had to fulfill the criteria defined for the partnership level, including maintaining consulting levels and quality and subject matter expertise.

NDS' subject matter expertise is what is of great value to both companies. The company's acknowledged thought leadership in **Enterprise Asset Management, Reliability** and **Service Management**, and its focus on asset-intensive industries is complimentary to SAP's important strategic business goals. NDS' expertise and best practices business transformation services focused on the **Utilities Industries** are also areas that NDS and SAP will work closely on.
